To Whom It May Concern:

Ms. Jocelyn Cowie, an evening part-time instructor in our Continuing Education program, has asked me to write a general letter of reference on her behalf.

I would describe Jocelyn as a dedicated, dependable instructor of "Massage Techniques for the Layperson". We have collected student evaluations of her work for some three years now and almost without exception they have rated the experience as "excellent". She has assembled a complete handout package and is both appropriately directive and responsive in classroom management technique.

Should further information be required do not hesitate to contact me. I am confident that Jocelyn would serve any organization energetically and competently in an instructional capacity.

Sincerely,

Steve Swenson,  
Vice Principal,  
Continuing Education.
